KONEC RANES®

INSPECTION RESULTS ON YOURKONECRANES.COM CheckApp for Daily Inspections

You can find CheckApp data by clicking on the Daily Inspection button in the main menu or on the Overview page. The Overview page shows items that have passed/failed in the past 24 hours.

In the Asset Fleet view you can see all your assets with CheckApp and sort by all checks that have been done in the selected time frame or the latest status.

On the Daily Inspection page Activities shows each performed daily inspection in chronological order starting from the newest. Color indicates pass/fail. The details show for each daily inspection which checkpoint failed and the operator's assessment. You can filter by inspection status to see a quick view of failed checkpoints.

You can see how long it took for an inspection under Information on the Daily Inspection page for an asset. You can also see the operator's comments and photo for failed checkpoints.

CheckApp data is also available on the Business Review page under the Daily Inspection tab. You can see how many inspections were done over the selected time frame as well as the number of pass/fail inspections for each asset. The checkpoints section shows how many times a checkpoint passed or failed per asset.
